

KS4: Business

Business Attraction/Museum

Visit an attraction/museum that has Business related content

Some examples of attractions/museums that have lots of Business content:

- Bank of England Museum
- Museum of Brands
- Docklands Museum
- Cadbury World

Or you could even speak to a small local business and ask them questions about their business.

Try to collect some evidence of your visit – photos etc

Talk to your teacher about your visit – what interesting facts did you find out?

Collate the information into a word/google doc and submit on the Super Curriculum hand in point on Google Classroom
