

Hello!

We are delighted that you have decided to join us at Mojitos and Mosaics this summer. Please **arrive 10 minutes early to get checked in and bring ID to confirm that you are 21 and over.** This is a 21 and over event. We will meet at the **Lower Information Center Picnic Pavillion (location 1 on the map) next to Lot D.** Please enter at South 4th Street and park in Lot D. **We will be using grout which will stain clothes, wearing old clothing or an apron is a must.** Your mosaic will be 11x 14 inches. It will need 24-36 hours to fully dry before hanging. When you leave it will need to travel flat and securely so that it does not slide around. We recommend that you clear a flat space in your trunk to transport your artwork (you may want to bring a 11 x 14 inch or larger cardboard box). We will supply large plastic bags for you to lay your grouted artwork on (wet grout will stain your vehicle if not securely placed on plastic).

Please note that you will be traveling with a wet grouted mosaic artwork.

Looking forward to our evening together!
