

The [2019 Canada Reads Finalists](#) have been announced.

This year's theme is:  
***One Book to Move You***

Now it's time to choose which books we each want to read for the March 6th meeting of ESA's Own Book Club.

- Read about the books (titles are hyperlinked in the table below... click to learn more)
- Decide which book best matches your thoughts about what kind of book Canadians need now.

***If you are pretty certain that you are going to be able to attend our meeting on March 6th... then please...***

- Put your name in one of the empty (pale green) cells beside that title (in the column titled 'ESA Reader')
- *The intent here is to have as many books represented as possible... If there are already 4 readers for your first choice title... please consider a second choice.*
- *I have included more than enough cells to accommodate... but please do consider a title which is lightly subscribed if you are adding your name a little later on in the process...*

Once you've chosen your title of choice, [please fill out this Google Form](#) to advise whether you'd like to purchase your own copy, or have us purchase a hard copy for you (at a slightly discounted price).

- ***The form will be CLOSED at the end of the day on TUESDAY FEBRUARY 5th...***
  - *We will order in books the following morning.*
  - *Books ordered in through the ESA Library we be discounted.*

For those who are following along with us but not able to make it to meetings... please do [fill out the same Google Form](#) if you'd like us to buy you the book of your choice to read along.

[Sign up here to join us on our field trip](#) to the live taping of the final episode of **Canada Reads 2019** on the morning of **Thursday March 28th**.

Cheers
