Student Bus Stop Permissions

Please indicate below by selecting the appropriate box that you agree and understand the rules for bus stops for K-8 Students.

Kindergarten Students district policy is to **not allow** students off without an authorized adult present.

1st – 3rd Grade students **will not** be let off without an authorized adult or prior permission.

4th – 8th Grade students **will be** let off unless a parent has indicated that they need a parent or sibling present.

Any student that does not get off at their appointed stop for any reason is returned to the school for parent pick up. If someone is not there to meet them as indicated we cannot allow them off. If you are unable to make it to the stop you can call the school to authorize us to allow your student off with a neighbor, this is a one-time event unless you add them as a permanent responsible party and we add them to the route sheet.

Drivers will make a judgment call with students **that are** allowed to get off if they feel it is unsafe and will then return your student to the school. For example if parent always meets the bus and one day they do not or your student is nervous about a change in circumstance at the stop.
