Date 12/06 | Time 6:06 pm *Meeting called to order by* Kris Warren

In Attendance

Kris Warren, Jen Triplett, Robert Ferguson, Toni Darlington, Susan Wolff, Doug Nicholson

Approval of Minutes

The minutes were read from the November meeting Doug motioned to approve, Deacon Bob 2nd and all approved with one change to correct sweatshirt price from \$30 to \$35.

Old Business

We had a great response from students and families on our new spirit gear designs. We sold quite a few sweatshirts and tee shirts at Blue and Gold night. Jen will order a few more of each in medium and large.

We had to reschedule the spaghetti dinner for Blue and Gold night. The basketball numbers are low so there would have been a small turn out. We have rescheduled for Jan. 5th @ Mustangs vs Roy/Winifred. We will start at 5 and go until gone. The opposing team will be feed from this meal. We need to go containers for the team or have a separate pan left out and ready for them to eat. Deacon Bob will provide the salad, Kris the sauce, Jen received pasta from Pasta Montana, Doug will bring bread, Toni will bring salad dressing and Susan bring forks and plates. We will send out an invitation to alumni and families to invite them to come to this event and meet Dr. Donnelly and Father. Dave.

Treasurers Report

Doug received our financial report from Kerri. We will ask Jamie about what maintenance the bus needs. We will set aside 20% of event proceeds to that fund. We need to ask sports and clubs if they have any needs. We can put that inquiry out in a staff bulletin. Motion to approve Treasures report by Jen it was seconded by Susan all approved.

New Business

*The students have been collecting items for holiday boxes for families in need. Brooke is reaching out to Angels in Camo to see if we can find families in need of help this season. The Vet center is hosting a Christmas event on December 18th so we may have students bring boxes that evening.

*We need to start an alumni database to send emails and invites to join Stampede Club and stay in the know of school events.

*Deacon Bob became our newest member.

*We are going to offer half price memberships to our middle school families. We will give the middle school kids a tee shirt and flyer at Discovery day Dec. 12th. Possibly buy the middle school track team a cooler for sports. Send our High school kids to OLL and Holy Spirit to promote sports and clubs.

*Kris motion to approve middle school memberships half price, Jen seconded and all approved.

*Ideas for Catholic school's week and teacher appreciation week in May.

*50/50 will start again at basketball games, Deacon Bob and Susan will help sell tickets

*Sell shirts and sweatshirts at the games

*Deacon Bob will contact Mighty Mo about a raise a pint night and have alumni there.

* Add Stamped membership to the bottom of our home game rosters.
