Stream Commission Rules (nsfw content warning)

Email (Contact): tenkcommission@gmail.com open to submissions starting Wednesdays.
Stream location: https://picarto.tv/TenkStreams
Session starts at 9pm Swedish Time (2-3pm CDT/CST) with submissions closing 1 hour in.

Cooldowns - Cooldowns are updated at the end of the stream.

Put your **Picarto Username and your Paypal invoice address** in your submission, along with commission specs, and send it to my email listed above. **If you're a $5+ Supporter, please include your subscriber name as well to be eligible for the Premium slot.** If resubmitting an email, please use forward instead of sending another email reply in the chain. Your twitter handle if you'd like to be tagged.

I AM OPEN FOR:
- **YES**: OC, Fanart, Action, Solo Male, Solo Female, Hetero, Homo, Futa, Bara, Femboy, Petite...
- **MAYBE**: Complex Compositions/Designs, Violence, Loli/Shota (upper range), Monster, Kemono...
- **NO**: Guro/Snuff, Western Furry, Loli/Shota (lower range), Hyper, Preg, Lactation, Bizarre stuff...

OBLIGATORY:

Your submission has to contain this, or it will be disqualified.

- Username and Invoice Address. If you are a $5+ Supporter, identify yourself for Premium Slot.
- Which image commission tier you are asking for.
- References with image host links (for example, Imgur). Do not attach/embed images directly in email. **This step can be skipped for characters that belong to me (Tenk).**
- Some level of specs on what you're asking for. I can only draw what you tell and show me to, accurately, so unless you don't want control of the end product I need to know the end goal.

SLOTS:

A: On average 2 slots will be open each session: 1 Premium ($5+ SubscribeStar supporters) and 1 Public. Winners will be chosen by wheeldecide.com spins, and once all winners are chosen they will be invoiced.
B: Character Design streamcomms run 1 at a time until I'm tired and end stream, with no premium.

If you win a slot, you will be on cooldown for 3 sessions. If you do not win, your spot in the wheel will gain a stacking increase to "weight" each subsequent loss until you win, at which point the weight resets. You have to be available either in stream or elsewhere to pay for the commission upfront.
Newcomers start out with +3 to their Weight, lasting until they win a slot.
Joint commissioners combine their weight gain/loss and both go on cooldown.

A cumshot alt is $10 and comes with expression change. Other alts vary.
