Bernadette Hess

As part of our Child Find responsibility, we offer screening playgroups at the Miller-Driscoll Early Learning Center for families who have concerns about their child's development. We utilize a play-based observation format to ensure your child is comfortable and relaxed. Our multidisciplinary child find team will be available to answer questions about your child's development and provide recommendations for next steps. Our playgroups are held on **Tuesdays** at 2:15, please see below for dates. Prior to your child find date one of our special education teachers will reach out to you to get some information about your child and your concerns.
