

We are aware that some students are experiencing technical issues logging into their College Board account. We are working with College Board to fix it.

Our AP test registration will soon be open. This is a two-step process:

1. All students in AP courses register for a College Board account and sign into their courses. (This should be complete for all students now)
2. Purchase exams they plan to take in the spring through the online school store.

The deadline for registration without a late fee is November 8th. If both steps of the registration process are not completed, late fees will be applied.

Our Business Technician, Jana Holy, helps with technical issues while ordering. She can be reached at jholy@rocklinacademy.org

If your student already qualifies for free or reduced lunch or your family has extenuating circumstances that make paying for exams a financial hardship, they may qualify for reduced AP fees. Please contact Kim Madak at kmadak@rafos.org for next steps.

2-Step AP Exam Registration & Payment Process

BOTH STEPS MUST BE COMPLETED for the proper AP exams to be ordered.

Step 1: Student signs in to their College Board student account at myap.collegeboard.org then joins the appropriate AP Class by entering the teacher-provided Join Code. Once this is completed, the College Board site will show that they have “registered.” This does not mean that they have PAID and will changed to “Not yet registered” until the test is purchased. If you are unsure if you have paid for an exam, check for an email receipt from myschoolcentral. Your teachers also have been receiving payment updates. If you need additional help with this, you may contact Shelly Fox for assistance at sfox@rafos.org

Step 2: Students must pay for the exam using our Western Sierra Student Store.

1. Go to the [Western Sierra Webstore](#) located under the Departments tab of our website. (Google Chrome is the preferred browser.)
2. Click on “My Account” in the upper right-hand corner and register as “you” not a student. Click on the link sent to your email account from *myschoolcentral*.
3. In the “My Family” tab enter your student’s school ID number. (If your student doesn’t remember the number, it can be found on their report card.)
4. Go to “Product Categories” in the upper left-hand corner and click on “AP Testing.”
5. Add exams to be purchased to your cart.
6. Go to the “cart” in the upper right-hand corner and complete the payment process.
7. Please be aware there is a 3% service fee.

If you have any questions, please contact Shelly Fox at sfox@rafos.org.

AP Test Dates

Exam Name	Exam Day	Exam Date	Exam Report Time	Approx Exam Duration
Biology	Monday	5/4/2026	7:30 am	(3.5 hrs)
Chemistry	Tuesday	5/5/2026	7:30 am	(3.5 hrs)
Gov	Tuesday	5/5/2026	11:30 am	(3.5 hrs)
English Literature and Comp.	Wednesday	5/6/2026	7:30 am	(3.5 hrs)
Physics	Wednesday	5/6/2026	11:30 am	(3.5 hrs)
