

Dear Team (Put the name of the company or business here) ,

I've recently embarked on a journey to become a strategic business partner. While exploring your profile(/website whatever you found them on) , I was truly impressed by your remarkable clothing collection.

Whether it's enhancing website copy, crafting compelling sales emails, creating engaging blog posts, optimizing sales pages, or refining any other written material, I'm confident in my ability to deliver results.

I'm eager to demonstrate my skills by providing you with FREE assistance as an internship. This way, I can accumulate valuable testimonials before I commence charging for my future services

I would greatly appreciate the opportunity to contribute to any section of your business where I can add value.

Best regards
