

Int. Terror Cave. Three Terrorists sit around, cutting themselves on the dick and sticking their thumbs in their own asses. One of them is trying to catch a chicken.

Terror Leader bursts in.

Terror Leader

Guys! Our attack on the American Consulate in Libya was a rousing success! We killed at least four guys, including the Ambassador from America to Libya!

Terrorists

Yay!

Terror Leader

Now, we should turn on our internet to see what the reaction has been.

Terrorist 1

I bet we made America dead!

Terrorist 2

I bet they all are pooping in fear!

Terrorist 3

I'm-a gonna fuck this chicken!

Terror Leader opens a laptop and reads the news.

Terror Leader

Well, let's see. First up, the president seems sad.

Terrorists

Yay!

Terror Leader

Hillary Clinton also seems sad.

Terrorists

Yay!

Terror Leader

But, wait Mitt Romney seems... Uh oh!

Terrorists

What? What is it? I'm a-gonna fuck this chicken! Etc.

Terror Leader
We gotta get out of here!

Terrorists
Why?

Terror Leader
Mitt Romney!

Terrorists
What did he say? What's he gonna do! Fuck-a-chicken! Etc.

Terror Leader
Prepare yourself, it is hard for me to say, let alone read. Mitt Romney responded to our attack with the following: the administration was wrong to stand by a statement sympathizing with a those who had breached our Embassy in Egypt instead of condemning their actions

All react as if Romney had said "I'm going to personally murder every one of those fucks."

Terrorists
Oh my god!

Terror Leader
He sounds so mean!

Terrorists
What else did he say?

Terror Leader
It's never too early for the United States government to condemn attacks on Americans and to defend our values.

Terrorists
Aaaa!

Terror Leader
We have a campaign for the presidency of the United States and are speaking about the different courses we would each take

Terrorists
WE ARE VERY SCARED NOW OF MITT ROMNEY

Terror Leader

Quick, kill yourselves before he gets here!

They all do.

Mitt Romney enters

Mitt Romney

Well, this looks like a good place to hide my bags of money.

Fin.
