

## **Bettendorf Parks and Recreation: QC MUSIC THERAPY CLASSES!**

**Beginning Beats I – ages 3 months to 9 months:** Connect with your baby through music, singing, and instrument exploration. Designed by an experienced mother of 4 and Board Certified Music Therapist, this class will help new parents feel empowered to interact musically with their infant while promoting neural and muscular development.

**Session 1 Thursdays Jan 12-Mar 2 at 9:00am \$96**

**Beginning Beats II – ages 9 months to 15 months:** Create new bonds with your child through singing, dancing, and instrument exploration! Designed for infants and emerging toddlers, this class promotes positive interactions with caregivers through music. Special attention is given to beginning speech sounds and early communication skills through a combination of singing and sign language.

**Session 1 Thursdays Jan 12-Mar 2 at 9:45am \$96**

**Boundless Beats – ages 15 months to 4 years:** Each class provides opportunities for young children to engage in music through instrument play, movement, and singing. These activities help promote attention to task, motor development, cognitive development, communication skills, and appropriate social interaction. Our weekly themed classes also work on skills such as beginning literacy, color identification, counting, and so much more! **Session 1 Tuesdays Jan 10-Feb 28 at 4:30pm \$96**

**Session 1 Thursdays Jan 12-Mar 2 at 4:30pm \$96**
