

HARU HANA VOL.30 GOT7 TRANS

take out with full credits please

TRANS BY: @fuckboytuan

V: 百度林在范吧

Q: GOT7's second single that has been receiving a lot of attention; "Love Train" has a strong summer concept!

JS: It's a really charming summer song!

JB: The rhythm of the song is good and the dance is intense~ also please remember to keep a look out for our facial expressions at the end (laughs)

Junior: Some parts of the choreography were suggested by Yugyeom. One example would be the chorus

YG: Even though I came out with a lot of suggestions, not everything is done by me~ (shy). I did it with the other members and our dancer teacher who came together to discuss it together before incorporating them.

BB: Without Yugyeom we would not have this choreography! ~

YG: Thank you. There's a part in the choreography in which we are running; portraying a moving train and us showing our love to Igot7. The choreography also includes a lot of jumping and moving.

YJ: There's a key point in the dance. Forming an L shape with your hands while dancing which is very simple to learn. We hope everyone would do it together with us

Mark: There's a scene in the MV that I really like –the one where we form a train. All I need to do is to stand at the back, it's very relaxing (laughs)

BB: Everyone who watched the MV said that part left the biggest impression. It's very cute

Junior: The beginning of song is like a movie as it starts off with the "Bang Bang" sound. Some people might pass it off as nothing but after watching the MV they would realise

it's not merely a song if you take all the aspects of the MV like the dance and the clothes – if you could look at it as a work like that, I would be very happy

Q: Has the performance reached the stage of perfection?

Mark: Of course

JB: We would be with the fans when we are performing on stage so I would work ever harder to make sure I don't make any mistakes (laugh)

Q: On the topic "Love Train", please talk about some of your experience.

BB: I only took the train twice so I don't have much experience to share.

JS: I do! I took the train to school a lot back in Hong Kong. I was able to recognise everyone who took the train after a year because it was always the same few people. I wanted to ask about their day so I sat beside them and asked "Hi, How have you been?" but got ignored instead (laugh)

All: LOL

JS: I had a very formal hairstyle during that time. Thinking about it today, I want to know the reaction of the old uncle and this student who looked like the same age as me who I always met on the train. I encourage everyone to take the initiative to say hi even if we get ignored, it would still be a good memory. After that incident, I never took the train at that timing again (laugh)

Q: That's really sad... Moving on, the next question is lyrics related. The lyrics is very direct in showing interest in the girl that you like. Are any of you the same as the guy in the lyrics?

YG: I would be very direct and tell the girl "I like you" if I like her

YJ: Woah Woah~ Yugyeom is very amazing~ I would not confess my feelings to her unless she does it first

Junior: I won't confess to her first because I want to treasure the "heart-pounding" moments

Q: Talking about the lyrics "like an electric current bzz bzz", have you had any "love at first sight" or related experience recently?*

Mark: Er, I can't think of any...

BB: Recently at the filming set I placed my cup noodles on the table. At the exact moment when I was going to eat the noodles someone said to me "Ok, let's continue~". I felt a current flow through me. I didn't get to eat the noodles in the end (laugh) < (wtf bam?)

JB: For me it's water. Although it's not love at first sight, I have been drinking water a lot due to my throat condition

JS: Lying on bed after a fresh warm shower "Ah~", that feeling.

Junior: Japan's milk coffee

YJ: Same for me! The mix of the two has an exquisite taste.

YG: For me it's Japans Lemon Tea. The packaging for it is something that can't be found in Korea. After coming to Japan, lemon tea has replaced water for me

Q: what about things that you can't stop doing once you start?

YJ: Game! (Laugh) I like RPG games! I would only play after I'm done with the schedule for the day.

Mark: For me it's also game. But I don't play it anymore because we have to sleep at night

JS: Eating! Especially when I'm on diet, I can't stop eating once I start

BB: For me it's Coke. I would drink a cup when I wake up even though I know I should stop. There were days where all I drank was coke.

YG: For me, once I rest, I wouldn't want to work again. Sleeping, watching TV and snacking at the dorm, I like to be idle (laughs)

Junior: I like to be by myself. Although it can be lonely to be the only one at the dorm, I like it. I like to read and watch movies and think about everything

JB: for me I like to “think about things”. I like to think about the future before I sleep and once I start, it’s hard for me to stop myself.

Q: Has there been any “Heartbeat can’t stop racing” moments?

YG: There’s a song that I listened to a lot during my middle school days - Busker Busker’s Cherry Blossom Ending. Recently I’ve started listening to it again. It reminds me of my middle school days, the image of the flowers blooming and the wind blowing against the petals that make it look like they’re dancing.

YJ: When I defeat the boss in game (laughs)

Mark: when I manage to upgrade my items in game (laughs)

JB: For me it’s when I’m studying.

Junior: When I’m filming for my drama, my heart beats very fast because I’m nervous

Jackson: When we’re standing on stage and listening to the cheers from the fans. Recently the impact is stronger

BB: During the Thai Fan meeting when we revealed our bodies, the reaction from the fans was very intense (laughs)

JB: it wasn’t trained it was performed using special skill (laughs)

BB: he used the easy sly way, he applied oil (laughs)

Q: Got7 will hold a fan meeting during June.

YG: The last time we met the fans was during Christmas~ I’m very excited to see them again!

Junior: Communicating with fans is very important as it is going to be a fan meeting. Hence we are working very hard to learn Japanese to communicate with our fans

JB: I'm more curious about how everyone would react to "Love Train". Besides that, I'm also looking forward to how the fans will think about the special performance we have prepared for them.

BB: I'm very excited thinking about spending time with the fans as we have not seen them in a long time! The special performance is still a secret

GOT7 Psychology Test Check!

Q: You and a certain member are sitting on a train. Assuming the train is empty, what's the sitting arrangement? Please fill in the answers for 1~4 with a member's name.

1. The one sitting on your left
2. The one sitting on your right
3. The one standing in front of you when you're sitting alone
4. The one you would stand together with

Answers:

1. You are leading this person
2. This person is more dominant. This person's leadership is very strong and you like this person a lot and will do everything you can to help this person.
3. There's a very strong between the both of you two. Can be said that you two rely on each other a lot
4. There's a mutual understanding and respect between each other. The both of you will continue to support each other in the future

JB: The 7 of us has mutual understanding and respect for each other

1/2/3: No one

4: BB, Jackson, Mark, Junior, Youngjae, Yugyeom

His answer was for all member to stand together. "Everyone has a different view but we would still respect each other's views", as expected of the leader!

Mark: I will not be guided by Jackson

1: Yugyeom

2: Jackson

3: Junior, JB

4: Bambam, Youngjae

Bambam described Mark as the one that "leads the other members because he is the oldest". It does not seem like it from the test results!?

Jackson: I didn't forget to answer~ they are my original answers

1: JB

- 2: Bambam
- 3: Yugyeom
- 4: Junior, Mark
- 5: Youngjae

JS: “must we write down the names of all members...?” Jackson wrote down all the names in a rush and forgot to include Youngjae. According to him, number 5 is someone you have a special connection with!

Junior: Woah~ the results for this aren't that bad! Is this accurate?

- 1: Jackson
- 2: JB, Yugyeom
- 3: Mark, Bambam
- 4: Youngjae

Junior answered this using a drawing. “There is no such relationship (being leaded/ being the leader) like this among us”

Youngjae: Jackson hyung, you're really mean~

- 1: JB, Mark
- 2: Yugyeom
- 3: Jackson, Bambam
- 4: Junior

When writing down the answers for the people you trust, Jackson hyung didn't even write my name! – Angry Youngjae

Bambam: It seems like I'm leading Yugyeom (laughs)

- 1: Yugyeom, Mark
- 2: Jackson, Youngjae
- 3: Myself
- 4: JB, Junior

JB hyung and Junior hyung will stand together on the train is the answer given by Bambam “Because the both of them know each other the longest, they will continue to support each other in the future”

Yugyeom: I decide where I sit

- 1: No one
- 2: Mark, Bambam, Junior, Youngjae, JB, Jackson
- 3: No one
- 4: No one

Although this is a psychology test, Yugyeom wrote all the members as sitting at the right side because he likes to sit at the left side. However he is the maknae, so this result is considered accurate?

Q: Someone who doesn't take the train at all!? Jackson's answer made everyone laughed

JB: Let's reveal our answers, starting with Bambam

BB: Sitting on my left is Yugyeom and Mark. Does this mean I'm leading Yugyeom? (laughs) Sitting on my right is Jackson and Youngjae

YJ: Oh Oh!

BB: I guess they're leading me since they are hyungs. 3rd question... Since the answer is myself, I guess that means I have trust issues (laughs). 4th question is JB hyung and Junior hyung. The both of them have already been together when I arrived in Korea. Because they know each other for the longest time, it's confirmed that they will continue to support each other in the future

JS: Sitting on my left is JB hyung

JB: I'm being leaded by Jackson!?

JS: In my opinion, this has no scientific basis at all. I feel like it isn't accurate

JB: I also feel the same way (laughs)

YJ: Ah! Why isn't my name there!

JS: Ah...! ////writes down a name in a rush/// Number 5 is my creation. It means my most treasured brother

All: //laughs

YJ: you're lying~!! (laughs)

Q: The real leader of the group is...?

Mark: I also feel that this test isn't accurate...

JS: I'm not the one leading Mark hyung. Mark hyung is the one leading me. I've always been listening to him (laughs)

YG: Mark hyung is the one leading me, this one is accurate right?

Mark: Is it true?

BB: Mat hyung Mark hyung is the one that leads us

All: //laughs//

Junior: I'm more of a "my pace", I won't lead anyone and they won't lead me. We all have mutual trust and understanding among all of us. It seems like this test isn't accurate

JB: I chose everyone to be at number 4. Although all members have different opinions, we try our best to compromise for each other. I guess the part where they said we have mutual respect for each other is accurate

YJ: I wrote JB hyung and Mark hyung for 1st question. Am I leading the both of them? And I'm also being led by Yugyeom? (Laughs)

YG: HAHAAHAHAHHA

YJ: I wrote Junior hyung for the 4th question. The both of us wrote the same answer for this question! For the person that I rely on – question 3- I wrote Jackson hyung but he didn't even write my name down. How lonely... (Laughs)

JS: Number 5 is special!

YG: I wrote everyone's name down for question 2. Everyone is leading me~

JB: this is accurate. Everyone is leading Yugyeom (Laughs)

YG: It's only because I want to sit on the left side that's why I wrote my answers like that!

Got7 Twitter Q&A

Haru Hana collected questions from twitter for the members to answer!

Q: having debut at such a young age, there are bound to be some difficulties. How does got7 overcome them?

JS: I will talk to others about my problem

JB: I'll settle my problems by myself

Mark: I'm the same as JB, I'll settle my problems by myself

JB: when the members face similar difficulties, we will come together to solve it. However if it's a personal problem, I'll solve it by myself

JS: even if it's a personal problem, I'll discuss it with the other members. I'll tell the members about my personal questions and everyone will share.

JB: even though I will find the others to discuss about problems, I am the leader after all. Hence I would not tell others about my problems easily

HIGHLIGHT:

When answering about the member's habits, Bambam and Yugyeom begin to imitate the member's actions. The both of them were very focused on doing it and the hyungs said "We can see what you're doing~!" when they appeared. The Maknaes immediately stopped and said "Oh nothing~!" (Laughs)
