

INFORMATION LETTER

Dear colleagues!

On August 28-29, 2025 in NCJSC «Semey Medical University» will hold the XVII International scientific and practical conference named after B.A.Atchabarova «Ecology. Radiation. Health»

During the conference issues of radiation ecology and radiation safety, healthcare organization, clinical medicine and the health of the population living in areas of ecological distress will consider.

Leading scientists and clinicians of the Republic of Kazakhstan and also participants from near and far abroad plan to attend at the conference.

The opening of the conference and the subsequent session of the sections on the areas of work will be held on August 28, 2025, at 10:00 at: Semey, Abay Street, 103, the main building of NCJSC «SMU», 2 floor, Assembly Hall.

The level of participation in the conference includes doctors, teachers, as well as students of residency, master's and doctoral studies.

To participate in the conference, you must submit an application through registration at the link:

<https://smu.edu.kz/ru/nauka/nauchnye-konferencii-i-meropriyatiya/registraciya-na-konferenciyu/>

SECTIONS OF THE CONFERENCE:

1. **RADIATION ECOLOGY AND SAFETY**
2. **ONCOLOGY, RADIOLOGY AND NUCLEAR MEDICINE**
3. **ECOLOGICAL ASPECTS OF HEALTHCARE ORGANIZATION**
4. **REPRODUCTIVE AND PEDIATRIC HEALTH IN ECO-SURROUNDINGS**
5. **CLINICAL MEDICINE AND ECOLOGY**
6. **CHALLENGES IN THE PRACTICE OF A SURGEON AND CRITICAL CARE PHYSICIAN**
7. **YOUNG SCIENTISTS SECTION**
8. **POSTER REPORTS**

FORMS OF PARTICIPATION:

- Participation with the report and publication of the abstract (duration – no more than 10 minutes)
- Participation with the report (duration – no more than 10 minutes)
- Publication of the abstract (without participation with a report)
- Participation with the poster presentation
- Listener of the conference
- Listener of the master class

FINANCIAL CONDITIONS OF PARTICIPATION:

- Participation with the report and the publication of an abstract **15000 tng.**
 - Participation with the report **10000 tng.**
 - Publication of the abstract **10000 tng.**
 - Publication with the poster presentation **10000 tng.**
 - Listener of the conference **5000 tng.**
 - Listener of the master class **5000 tng.**
 - Payment can be made through payments **HALYK BANK** или **KASPI BANK**
 - **In the purpose of the payment to HALYK BANK it is necessary to indicate:**
 - **Full name, IIN (passport number)**
In the column of the department – Name of the conference
In the column of the course – NAME OF THE SECTION (*the section name must be written, even if you are a participant as a listener of the conference or master class*)
In the column of the appointment – THE FORM OF THE PARTICIPATION AT THE CONFERENCE
In the column of the route – Choose «FOR PARTICIPATION AT THE SEMINAR»
 - **In the purpose of the payment KASPI BANK it is necessary to indicate:**
Full name, IIN (number of the passport)
In the column of the department – NAME OF THE CONFERENCE
In the column of the course – FORM OF PARTICIPATION AT THE CONFERENCE
- DURING REGISTRATION YOU MUST ATTACH A PAYMENT RECEIPT!**

Theses and reports Abstracts and reports **are accepted** in electronic format until **August 3, 2025 inclusive!**

August 4, 2025 registration for the conference will be stopped!
We kindly ask you to comply with the specified deadlines!

ACCOMMODATION, MEALS, TRAVEL – AT THE EXPENSE OF THE SENDING PARTY.

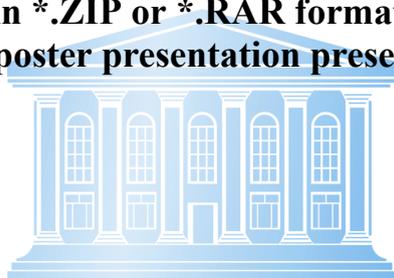

REQUIREMENTS OF THE REPORT:

1. The theme and content of the report must be similar with the direction of the section.
2. The text of the report must be written in MS Word, presentation in PowerPoint.
3. Report must be accompanied with the presentation.
4. Duration of the report must not be exceeded 10 minutes (approximately 10-15 slides), discussion – 5 minutes.
5. The speaker must provide the report in the form of the presentation (PowerPoint) to the moderators of the conference section the day before.
6. Due to different laptop software, please save your presentations in two extensions *.ppt и *.pptx
5. **Requirements of the presentation:** presentation must be complied according to common rules (light slide + dark letters).
At the first slide: name of the University, further – name of the Department, name of the work; full name of the speaker; name of the scientific advisor; city and year and etc.
8. Organisational committee reserves the right to select reports. The best reports of the section will be presented at the Plenary Session.
9. The author of the work and his/her scientific advisor are responsible for the content of the work.
- 10. During registration, please upload your completed report, archived in *.ZIP or *.RAR formats.**

REQUIREMENTS FOR THE POSTER PRESENTATION:

1. The language of the design of the poster is Kazakh, Russian and English.
2. The following procedure is recommended for the preparing of poster presentations:
 - title, name of the work;
 - relevance;
 - materials and methods of the research;
 - results;
 - conclusion.
3. Please save poster presentation in vertical presentation format, in *.PPT or *.PPTX extensions
4. **During registration, please be sure to upload your completed poster presentation, archived in *.ZIP or *.RAR formats.**

Sample of the poster presentation presented at the next page.

Full name:

ORGANISATION:

28-29.08.2025 XVII Международная научно-практическая конференция
имени Агчабарова Б. А. «Экология. Радиация. Здоровье»

NAME OF THE REPORT

INTRODUCTION:

MATERIALS AND METHODS:

RESULTS:

CONCLUSION:

REQUIREMENTS OF THE THESIS:

1. Abstracts, verified stylistically and orthographically, are presented in Kazakh, Russian or English. Text must be written in MS Word, print: Times New Roman (12 font size), line space – single, with 2,5 cm margins from all sides of the sheet, no more than 2 pages (form of sheet A4).

2. Title is designed as follows:

first line – UDC, (**UDC is mandatory**)

second line – the title of the work in capital letters, bold, no more than three lines, without abbreviations,

third line – initials, surname(s), author(-s) with bold type,

fourth line – level of education, year of study, speciality,

fifth line - Academic degree, title, initials, surname of scientific advisor,

sixth line – full name of the Institution, city, country with bold type.

3. Abbreviation are not allowed.

4. Align the first three lines to the center of the sheet. Then, **after the space**, the text of the thesis.

5. Align the title of the thesis horizontally.

The indentation of the "red" line is 1 cm.

!!! The thesis, which are not meet the requirements will not be accepted.

!!! Abstracts will be checked for originality and subject of borrowing.

The thesis will be published in a special collection of conference materials. The electronic version of the collection will be placed on the website of the University in the section “Science” – “Scientific Conferences and Events” freely accessible by link:

<https://smu.edu.kz/ru/nauka/nauchnye-konferencii-i-meropriyatiya/> .

Sample of designing of thesis:

UDC is mandatory

The name of the file is given by the last name of the first author:

If there are more than one works are submitted by the same author, the file name “Full name 1”, “Full name 2” (for example, G.P.Abayev1, G.P. Abayev 2).

Thesis must consist of the following parts:

- Relevance
- Aim of the work
- Materials and methods of the research
- Results of the research
- Conclusion

UDC

IMMUNE STATUS OF THE PEOPLE EXPOSED TO RADIATION

Ivan Petrovich Abayev, Bachelor degree, 2 year, General Medicine, e-mail

Scientific advisor: d.m.s., prof. A.G.Sharmanov

Department _____

NCJSC «Semey Medical University, Semey city, Republic of Kazakhstan

Relevance: title of the thesis

Aim of the work: title of the thesis

Materials and methods of the research: text of the thesis

Results of the research: text of the thesis

Conclusion: text of the thesis
