

The Southeast School Invention Convention will be held

Thursday, November 7, 2019

Coordinator: Susan Irvine, Enrichment Teacher

[*SIGN UP HERE FOR THE INVENTION CONVENTION*](#)

Attention Southeast Inventors!

The Annual Southeast School Invention Convention is scheduled for

Thursday, November 7, 2019 from 6:00-6:30 p.m.

All Southeast students are invited to participate in this exciting event!

Invention Convention Frequently Asked Questions

What is an invention convention?

The INVENTION CONVENTION is a chance to show your idea for a new way to solve a problem, make something better or make a job easier to do.

How do I think of an idea?

A good first step is to think of a problem you have. Ask a friend, a relative (older brothers and sisters can be very helpful here), or a teacher for what bugs them. Check the library or at school for books about inventing or click on the links below. We want you to think of something **simple and interesting** to you! Be your creative best!

How do I sign up?

Click the link below!

What else do I need?

You'll need the Invention Convention packet and log to begin so if you can't access or download them (below) please let us know so we can copy one for you. Whether you need a printed copy of the packets or not, participants should sign up at the link above so we can plan for the appropriate number of students. Thank you.

These packets will give you the information you need to do your projects.
