

In **October**, we are inviting all alumni to return for the Homecoming Game on October 3rd for the Class Roll Call. The class with the highest number in attendance will receive the Most Spirited Award.

November is our Looking for the Stampede month. Each department will be given ceramic Blazers to decorate. They will be displayed and auctioned off at our annual Giving Bowl Celebration on November 20th.

December is our Winter Celebration, in which our wonderful principal, Dr. Brenda Mack-Foxworth will ride on a horse driven sleigh around the school while her elves distribute candy canes to the faculty and students.

Our grand finale will be the Carousel of Progress. This will be a performance of our past, present, and future accomplishments. So mark your calendars for **May 22, 2015**. We want to invite everyone to this event. After the performance we are planning to have a reunion for our guests.

Keep on the lookout for our 20th Anniversary Facebook page. Along with AT THE VIEW Daily, we will post announcements about upcoming 20th Anniversary Events.
