

Dear _____,

My name is ____first name____ and I am a 4th grade student at Open Window School in Bellevue, Washington. As part of our Passion Based Science Experiments, we are hoping to seek real professionals in science and have them take a short look at our work. I was wondering if you would please look at my experiment for a few minutes and let me know what you think.

My experiment title is:

I wonder mostly about:

- Do you think my results are clear?
- What would adult scientists do differently if they did an experiment like mine?
- Is there anything else you think should be included in my experiment?

Thank you so much for your time.

Sincerely,
