

San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Ching Shiuan F.

**Director of Brooklyn, New York Chapter
Tutor
San Antonio Math Include**

Ching Shiuan Fang is a current senior at Brooklyn College studying Urban Sustainability. She is also a Macaulay Honors Scholar and part of the Brooklyn College/SUNY Downstate School of Medicine B.A./M.D. program. She is passionate about sharing her love of mathematics with others through education and has worked as a private tutor before throughout high school and college. Her favorite math topic is game theory and she loves a good game of chess. Additionally, she enjoys reading historical fiction and gardening in her spare time.
