

GGO: 2022

Dear Colleagues, Friends, and Competitors:

From all the members of the San Francisco Forensics Collective, we would like to officially welcome you to the 2022-2023 competitive season!

We are pleased to announce the fourteenth annual *Golden Gate Season Opener* and *San Francisco State/City College of San Francisco Individual Events Swing*, September 30 - October 2, 2022, to be held on the campus of San Francisco State University.

This will be a full-service tournament offering two preliminary rounds in two divisions (Novice & Open) of all 11 AFA individual events at each half of the swing, three divisions (Novice, JV, & Open) of NPDA Parliamentary Debate, 2 divisions (Novice and Open) of Lincoln-Douglas debate, and two divisions (Novice and Open) of IPDA. We will have four preliminary rounds of Parliamentary debate, 4 preliminary rounds of LD and IPDA, and the appropriate number of elimination rounds based on the entry. Some divisions may collapse due to entry size. We will do everything we can to preserve the integrity of all Novice divisions.

The [tournament schedule](#) has been modified from previous years. Parliamentary debate conflicts with pattern B on Saturday. Students competing in parliamentary debate outrounds on Saturday may only compete in pattern A. Parliamentary debate students who do not advance to elimination rounds on Saturday may compete in any events on Saturday, including IPDA and pattern B IEs. Coaches should enter students in all events the student would compete in, and if students advance to Parliamentary debate outrounds, they will be automatically dropped from IPDA and pattern B IEs, and teams will not be charged for those entry fees.

On Saturday, students cannot double-enter in IPDA and extemporaneous speaking. Double and triple entry within a pattern is otherwise possible.

On Sunday, Lincoln-Douglas debaters cannot cross-enter in the IE tournament.

We will continue to maintain Parliamentary debate on Friday and Saturday only. The schedule currently guarantees a minimum of Octofinals in both division (assuming the entry size supports this as per NPDA rules), and finishing on Saturday night. We will attempt to accommodate any students making it to late Parliamentary out-rounds on Saturday night.

Important COVID 19 requirements as of August 22, 2022 (subject to update):

San Francisco State is excited to welcome our guests with special attention to the [specific health and safety protocols](https://together.sfsu.edu/health) (link: <https://together.sfsu.edu/health>) that inform our [campus operations and events](https://together.sfsu.edu/node/6) (<https://together.sfsu.edu/node/6>). SF State continues to take a more cautious approach than other regions, so please familiarize yourself with the requirements and know that compliance is a requirement to participate in the GGO:

- Face coverings **remain required** while indoors
- SF State employees and students must complete the COVID-19 health screen on the [app](https://its.sfsu.edu/service/sfstatemobileapp) (link: <https://its.sfsu.edu/service/sfstatemobileapp>) or [web](https://sfsu.co1.qualtrics.com/jfe/form/SV_cUPMQtMOTr76xjT) (Link: https://sfsu.co1.qualtrics.com/jfe/form/SV_cUPMQtMOTr76xjT).
- For Non-SF State guests, we will work with coaches to ensure:
 - Correct Name and contact information for every member of your school

GGO: 2022

- Verification of proof of vaccination OR proof of a negative COVID-19 test result between September 28 and September 30, 2022
- A signed [waiver of liability](#) from each participant (included in the invitation as well)

Again, these policies are mandated by the CSU and informed by SF State and SF Department of Public Health. Thank you in advance for working with us so that we are able to host you on campus.

We are excited and look forward to hosting you in San Francisco this September. Please contact us if you need any additional information.

Sincerely,

Sage Russo	Orion Steele	Alexis Litzky	Nathan Steele	Teddy Albiniak	Lindsey Ayotte

GENERAL EVENT INFORMATION

ALL ENTRIES (Debate and IE) should be submitted through www.forensicstournament.net. Be sure to enter both halves of the swing (Tournament #1 & #2).

All entry will be closed on *Wednesday, September 28, 2022, at 5pm*. Please email Sage Russo directly after that with any drops or changes at srusso@mail.sfsu.edu.

ELIGIBILITY – Any student that meets AFA, NFA, or NPDA requirements for their respective event is eligible. SF State and CCSF students may participate, but will not accrue sweepstakes points.

INDIVIDUAL EVENTS

CCSF Tournament tabulation: Nathan Feingersh-Steele, CCSF

SFSU Tournament tabulation: Lindsey Ayotte, Skyline Community College

EVENTS OFFERED

Pattern A: Extemporaneous speaking, After Dinner Speaking, Prose Interpretation, Poetry Interpretation, and Informative Speaking.

Pattern B: Impromptu Speaking, Persuasive Speaking, Communication Analysis, Duo Interpretation, Programmed Oral Interpretation, and Dramatic Interpretation.

RULES

1. Open and Novice IE's will be offered in accordance with AFA-NIET rules.
2. Students in their first year of collegiate competition are eligible for novice division in IE's. Students with substantial high school experience should be entered in Open division. We trust that directors will put their students in the right division.
3. We reserve the right to collapse open and novice divisions in small events. If we collapse divisions, we will recognize the top novice competitor that does not advance to elimination rounds.
4. Students may triple enter in IE's. All double and triple-entered competitors assume the responsibility for making it to their rounds on time. We will not average scores for a missed round. Please note that IPDA and LD do not count as an individual event.
5. Advancement to Elimination Rounds - Students will be rank ordered first by lowest cumulative rankings, then by the highest reciprocal score (a.k.a. decimal conversion), and finally by the highest cululatives ratings (a.k.a. speaker points).
6. Placement/Advancement in Elimination Rounds - Students will be rank ordered first by lowest cumulative rankings, then by judge's preference, then by the highest reciprocal score(a.k.a. decimal conversion), and finally by the highest cululatives ratings (a.k.a. speaker points).
7. Judging – One critic covers 5 slots per pattern, or 10 slots per tournament (one half of the swing). Please ensure all of your judges are available for the entire tournament, it is the only way we can keep the tournament running on schedule. All IE judges are committed through finals. Judges that do not possess a Bachelor's degree can judge some novice events but will not be paid by the tournament for any rounds past their obligation. The tournament will make every effort to give judges 1-2 rounds off.

INTERNATIONAL PUBLIC DEBATE ASSOCIATION (IPDA)

GGO: 2022

Tabulation: Lindsey Ayotte, Skyline & Nathan Steele, CCSF

RULES

1. IPDA will follow guidelines as prescribed by the [IPDA best practices manual](#).
2. Topics:
 - a. Each debate will have a strike card with 5 possible topics. Once competitors receive the topics, the negative will strike one topic. The process of striking continues by alternating strikes (affirmative, negative and finally affirmative again) until one topic remains. That will be the topic for the round.
 - b. 30 minutes of preparation time begins at the start of the topic draw period (meaning that any time that is used deliberating on "strikes" comes at the expense of preparation time).
 - c. Students will strike in their competition room at the assigned time with the judge, but may prepare wherever they choose.
 - d. The format for the event will be:
 - i. 1st affirmative - 5 minutes
 - ii. Cross-ex - 2 minutes
 - iii. 1st negative - 6 minutes
 - iv. Cross-ex - 2 minutes
 - v. 2nd affirmative - 3 minutes
 - vi. 2nd negative - 5 minutes
 - vii. Final affirmative - 3 minutes
 - e. **Lighting:** Due to a large entry and judging needs we may flight rounds, meaning 1 judge will evaluate 2 debates in one round of IPDA in the same room.
 - f. **Judging:** IPDA debate encourages a diverse judging pool. To that extent, traditional debate judges (degreed individuals with some degree of experience in academic debate) are a part of the field. However, IPDA expands this field to encourage community and student involvement. Anyone (lay judges) are available to judge this event.
 - g. **Judge Commitment:** Schools should provide 1 judge per 4 IPDA contestants.

PARLIAMENTARY and LD DEBATE

Debate Tabulation: Orion Steele, SFSU & Ryan Guy, MJC

RULES

1. Parliamentary debate
 - a. Parliamentary debate will abide by NPDA rules and guidelines.
 - b. Prep time will be 20 minutes after topic announce, with a 5 minute forfeit rule.
 - c. The format for the debate will be:
 - i. First Proposition Constructive Speaker: 7 minutes
 - ii. Opposition Flex Time: 2 minutes
 - iii. First Opposition Constructive Speaker: 8 minutes
 - iv. Proposition Flex Time: 2 minutes
 - v. Second Proposition Constructive Speaker: 8 minutes
 - vi. Opposition Flex Time: 1 minute
 - vii. Second Opposition Constructive Speaker: 8 minutes
 - viii. Opposition Rebuttal by First Speaker: 4 minutes
 - ix. Proposition Flex Time: 1 minute

GGO: 2022

- x. Proposition Rebuttal by First Speaker: 5 minutes
- d. Flex time may be used by the controlling team to prepare arguments, drink water, set up stands, ask questions of their opponents, etc. Flex time may not be used as additional speech time.
- e. Brackets will be broken
- 2. Lincoln-Douglas debate
 - a. Lincoln Douglas debate will abide by NFA-LD guidelines.
 - b. Brackets will be broken.
 - c. There will be no speaker awards in LD.
- 3. General guidelines for all events
 - a. Hybrids/Mavericks - Hybrid teams are welcome but all Policy and Parliamentary debaters must compete with a partner.
 - b. 3-person teams require tournament director approval. 3-person teams can break but are not eligible for speaker awards.
 - c. Judging - Each school is expected to provide one judge for every two teams (or 2 LD slots) they enter. Each judge will be obligated through the first elimination or one round beyond the elimination of their team. We have some hired judges that we can provide, but not many. Hired judges will be provided on a first come, first served basis at a fee of \$150 per uncovered team (or \$50 for LD). We would much rather have your judges than your money. If you have extra judges available from your school please let us know, as we would probably like to hire them. All judges are expected to render a decision in a timely fashion and designate one, and only one, team as the winner of the debate. Judges that do not possess a Bachelor's degree can judge some novice events but will not be paid by the tournament for any rounds past their obligation. The tournament will make every effort to give judges 1-2 rounds off.

AWARDS

We will identify a Top Speaker as well as Team Sweepstakes Awards for the top 3 institutions in 2 divisions: 2-year and 4-year schools. Points are awarded in Individual and Debate events based on the following formulas:

Individual Events & IPDA	1st	2nd	3rd	4th	5th	6th	Semis
	10	8	6	5	4	3	2

Parli & LD Debate	1st	2nd	Semis	Quarters	Octos	Double Octos
	20	18	16	12	10	8

GGO: 2022

Teams who need to drop entries due to student health will not be charged any fees. For example, if a student is sick, let us know. Also, if a coach registers a student in IPDA and pattern A events and that student advances to the elimination rounds of parliamentary debate, no fees will be charged for the pattern B and IPDA entries that the student was unable to compete in.
