Greetings, Falcon Families!

Our responsive spring parent conferences are scheduled for Thursday, March 7th from 4:00-7:30 PM. Please know that, while spring conferences are not necessary for every student, we are happy to share comments or student work with families at any time. We are requesting a conference with families we feel could benefit from additional information for supporting their child to finish the school year strong! If you have not received a request, but feel the need to meet, we are happy to do so. To schedule a conference, please use the following link.

If you do not have access to the internet, the school office can help (920-467-7820). Thank you, always, for your participation in our school community. Your support and partnership help us provide exceptional education to students every day. Thank you!

Sincerely,

Lynn Bub, Principal
