

What is RUST?

RUST is a sandbox multiplayer survival and crafting game for PC and Mac.

The only aim in Rust is to survive. Everything wants you to die - the island's wildlife, other inhabitants, the environment, and other survivors. Do whatever it takes to last another night.

Where can I play it?

You can purchase RUST on [Steam](#) for Windows PC and Mac OS X for £34.99.

What updates have there been?

RUST receives monthly updates. For a list and details on all of them, please visit the official site: <https://rust.facepunch.com/blog/>
