

Parking Instructions

For the travel grant awardees:

Due to construction, parking in the complimentary Dolorosa Parking lot is limited, **for the travel grant awardees**, we recommend you either walk from your hotel or park at paid city lots and then get reimbursed later:

1. **Bexar County Parking Garage, 211 S Flores St, 5-min walk to the conference center, \$12 for the whole day**
2. **Courthouse Parking, 205 W Nueva St, San Antonio, TX 78207, 3-min walk to the conference center, \$20 for the whole day**

For all other attendees (except UTSA parking permit holders):

We offer **complimentary** non-ticketed parking at the Dolorosa Parking lot for both days of the conference, from 6:00 am to 11:59 pm. The address of the lot is: **702 Dolorosa, San Antonio, TX 78207 (see also map below)**. Parking will be first-come first serve.

Please only park at unmarked spaces. The marked spaces of Dolorosa Lot are for permit holders and must remain open to that group. If we run out of parking space at the Dolorosa Parking Lot, you can park at the one of the city lots listed above.

For UTSA parking permit holders:

Due to limited parking space at the Dolorosa Lot, we recommend you park at the Downtown Campus parking lot with your UTSA parking permit's designated lots (the closest ones are across the street of I-10), 11-min walk to the conference center:

https://www.utsa.edu/campuservices/docs/Park-Trans-Map_Downtown-Campus.pdf.

You can park at the Dolorosa Parking lot, but make sure you take your UTSA permit off your vehicle.

UTSA School of Data Science

Event Complimentary Parking

Dolorosa Parking Lot
702 Dolorosa St.
San Antonio, TX 78207

Your host has pre-arranged complimentary parking for the event. Parking is first-come, first-served.
To avoid the construction zone, please refer to the map for an optional walking route.
