

CHUCKY

(FAN) SEASON 4

Project by FIRECLAWZ/chuckysfire/Elliot

Welcome! This project is a fan-made version of season 4. Due to the confirmation around the cancellation of the show, a fanmade season will be a placeholder for 2025 of October so people don't feel like they have no content!

For now, the project is open for applications and these will close by the end of April (or so is expected). Thank you so much for your interest and we hope to see this project come to light soon!

DISCLAIMER: This is NOT a canon project and is 100% nonprofit, a volunteer project collectively made by a team (which needs people and only has a few so far)! I do not own any rights to the Chucky franchise and do not claim anything as my own.

RULES, EXPECTATIONS, CRITERIA

Rules:

1. Must be 13+ to apply for roles!
2. Must have a Discord or applicable social media
3. Must not have problematic or bad history behind them. Anyone will be given a chance (even those in negative interactions with the host) unless they are proven a horrible person! **DNI IF YOU'RE CHUCKYSOURCE/DOM, CHRISTIAN, OR KEEGAN.**

Expectations:

1. By applying you are expected to have voice lines, art, responses, etc. in the required maximum of time given. Extensions offered.
2. By being a part of the team you are obligated to keep all material and spoilers under wraps. Caught with spoilers at others will revoke your team position.
3. Voice actor applications must have a brief short example of how you expect to play the character, using any sort of line or made up statement.

Criteria:

1. You are **not** required to have previous work examples and this is **open for beginners** as well. No requirement is needed to sound exact to the characters, and best effort is preferred instead.
2. Voice actors must have a quiet space (with no interruptions) to speak in when recording, or a microphone.
3. Artists must be able to draw humans in some way.
4. Promotion team should have at least a decent following to spread around the project and teasers.

FORMS

General application:
