FAQs

How do I find group reservation tickets?

Go to the specific event's page on matinee.club/events or Eventbrite and look for the group/table reservation ticket tier.

What if the event is sold out?

If it's sold out, it's very unlikely more tickets will be released. We strongly encourage guests to purchase tickets for their entire party at one time to ensure access. If you need to add additional guests after the fact a promo code to do so will be in your confirmation email. Otherwise you will need to reach out to customer service to see if there is any availability. Once an event is sold out we can not guarantee additional tickets.

Is there a coat check?

Yes, there is a coat check at Mr. Purple. Expect to pay a small fee (potentially in cash). Pricing is set by the venue. There will always be a coat check from September-May. In summer months there is no coat check unless it is scheduled to rain. It cost \$5 per coat.

Can I bring a birthday cake or outside food?

Yes, Mr. Purple does allow cupcakes or a cake. Only for table reservations. Table reservations are also able to purchase additional food, outside from the provided pizza, from the Mr Purple food menu. <https://www.mrpurplenyc.com/menus/#food> - Let your server know.

Can I view the bar service menu?

[Menu](#) Is there a better way to add this link that isn't through our drive?

What is the refund policy?

Tickets purchased through Matinee Eventbrite are refundable up to 10 days before the event. Tickets from partner venue platforms are non-refundable. See the [full refund policy](#) for details.

If guests don't show up, do I still pay the minimum?

Yes. You are obligated to pay the full amount based on the number of tickets/packages purchased, regardless of how many guests attend.

Can I pick my table?

If you arrive on the earlier side, you can ask your server to move to a preferred table as long as it is available. Nothing is guaranteed.
