The best place to spend a honeymoon,

Frankly speaking, it was an **unforgettable experience for my wife and me**. We had a lot of fun. We woke up as the sun rose, and the sun's rays shimmered with the tree leaves and the cool morning breeze caressed my face with the hot cup of coffee. It was an experience that I will never forget for the rest of my life.

The place was spacious, comfortable, beautiful, and simple at the same time. It provided us with all the means of comfort, including television and a sauna bath. During this period in which we were sitting together, I felt that our relationship was stronger and closer than before, but this place was

The tree house was spacious and comfortable and had all the amenities and privacy. Although we were worried about insects such as bedbugs and mosquitoes, the choice of blueforest_treehouses was appropriate. We did not face any difficulty there. Things were easy. To Jack

2. **Where are they now?**

He is in his house searching for a place to spend a honeymoon with his wife

3. **What actions do I want them to take at the end of my copy? Where do I want them to go?**

in the end, I want them to click the link below and go to the website and book a tree house

4. **What must they experience inside my copy to go from where they are now to taking the action I want them to take? What steps do I need to guide them through to take them from where they are now to where I want them to go?**

I want them to experience the fun and the beauty of spending their honeymoon in a tree house

step 1 I want them to read the copy and be amazed by the splendor of the tree house and imagine what their experience will be like based on the story I wrote

step 2 I want them to see that their problems or thoughts about the tree house have been solved

step 3 after they have seen that all their problems have been solved I want them to feel Urgency to click the link and book a tree house for their honeymoon

Personal Analysis of Copy

Actually, for me, it looks great but still, I don't get that feeling when I read copies from the swapfile

and I am suffering to make the copy short do you have any Solution for this problem

Roadblocks and the solution/mechanism that will solve those roadblocks
Roadblocks:

they don't know where to spend their honeymoon
they may have bad thoughts about Treehouse

solution:

if they don't know where to spend their honeymoon I will present to them a tree house suggestion

and if they have bad thoughts about the tree house I will I will solve these problems and show that the tree house is better than the rumors that are said about it
