

Marievale Bird Sanctuary (Nigel) Directions from Pretoria East

From Solomon Mahlangu Dr (Hans Strijdom Dr):

1. Turn onto the Delmas Rd (R50) in a southerly direction
 - a. Go +/- 62-63Km
2. Turn right onto the Delmas-Nigel Rd (R42)
 - a. There is currently no sign to warn motorists that the R42 Nigel turn is coming up. So, once you have gone through Delmas, at the last traffic light on the outskirts of Delmas, you will find Sephaku Cement on your right. This is your cue that the very next turn after Sephaku Cement to your right is the R42 Nigel road. At this point there is only a right turn. Take it.
 - b. Go +/- 31-32Km. You will cross the R29 to Springs and also the N17. From the N17 it is about 11Km to the Marievale entrance.
3. Turn right at the Marievale Bird Sanctuary sign

The GPS coordinates for the entrance are:
