Daughter Strength

Daughter Strength is a young girl with short brown hair. She wears a tattered shirt with the infinity symbol, a green skirt with a large belt, and thick bracers on either wrist.

An orphan left in the jungle with Gao-Gao the lion and adopted by her now-father. Because of her rambunctious nature, she's often mistaken for a boy – but are they ever wrong!

Stats

Life	1000
Power	3000
Attack	120

Defense	120
---------	-----

Moveset

Do note that Gao-Gao follows Strength everywhere around the match, growling whenever she gets damage and celebrating with her in victory poses or becoming sad when she is defeated.

Specials

Beast Punch

AIR OK

MASH EXTEND

Low Punch can be pressed again to connect another punch for a rush and so on.
