

**Do you like math?
Are you a good critical thinker?
If so, we want you!**

The Lakeland Math Meet is fast approaching, and I couldn't be more excited. In the past few years, we have had multiple individual medals and one team trophy. This year I am hoping to continue to add to our medal count. Good at math? Like math? Please consider joining us!!

When: Monday, November 11th, 2024

Where: Lakeland College

Time: 5:00 - 9:00pm

The bus leaves from Urban at 5:00pm and returns a little before 9:00pm. You will need to have a ride to and from Urban that night. All you need to bring is a calculator and pencil.

I know life is busy, and sometimes spending your Monday night doing math problems doesn't seem the greatest, but hopefully the items below will encourage you to help our school be victorious! You could receive one or more of the following...

- ★ Extra Credit Points Applied to a Test Grade
- ★ Excused ALEKS topics/requirements
- ★ Skip Assignment Coupons for Math Class
- ★ Pick a Prize (candy or chips AND soda/juice to enjoy during math or WIN)
- ★ Move to a New Assigned Seat Location

Your math teacher (or homeroom teacher) will help you figure out what you will receive for participating in the Lakeland Math Meet.

In addition, there will be a pizza dinner on November 11th starting at 4:00pm in Room 216 for those participating. This way we can eat and get pumped up for the competition! It is free :)

If you have any questions, or need a permission slip, stop by Room 216.

Thanks for participating.
Mrs. Bohman
