

Eden's Study Group - Application

Hello magical soul!! ✨

I am so delighted to be inviting you to apply for my Study Group! On this page you will find all the information you need to get your application submitted. And of course, if you ever have any questions, comments, or curiosities, I am always available either via email or IG messages!

Why I am having you apply:

The Study Group is designed to be a community space where we experiment with a new Human Design detail every month, gather on calls, and converse about all things HD, astrology, spirituality, and energetics.

I do not want hundreds of people in this space, I want it to feel small enough for me to really get to know everyone deeply. So I am using this application process to connect with you before you join!

How to actually apply:

To keep things super fun and simple, there are really no rules for the application process. I just want to chat and get to know you, and maybe chat a little, before officially inviting you in. The main question I have is:

What energy, insights, and curiosities do you see yourself bringing to the Study Group?

But honestly, I just want you to share *whatever is on your heart that you think would be valuable for me to know.*

Below are some suggestions and ideas for how you can apply, but feel free to make it your own and get creative. The whole point of Human Design is differentiation, so use this as an opportunity to be unique, and let me get to know you through your application!

Ideas & Inspiration:

- Record a short video
- Send an audio message on instagram
- Write an email
- Make a slide deck
- Send me your HD chart
- Put it in a google document
- Ask me to get on a zoom call for 30 minutes to chat

There is no right or wrong way to do this!!! Trust your intuition and see what happens!
