Season 1, Episode 2

Episode Synopsis: Jake is assigned to investigate a graffiti case that he feels is beneath him, but things get complicated when he learns that the offender is the deputy commissioner's son. Elsewhere, Gina's psychic friend visits the precinct and evaluates Charles. Original Air Date: Sep 24, 2013

Brooklyn Nine-Nine is a new single-camera ensemble comedy about what happens when a talented, but carefree, detective and his diverse group of colleagues get a new captain with a lot to prove. Detective Jake Peralta is gifted enough that he's never had to work too hard or follow the rules too closely. Perhaps because he has the best arrest record among his colleagues, he's been enabled – if not indulged – throughout his entire career. That is, until the precinct gets a new commanding officer, Captain Ray Holt. Together, they interrogate suspects, arrest perps and solve murders. But, ultimately, Brooklyn Nine-Nine is a workplace comedy that's not really about the job. It's about the men and women behind the badge – singing karaoke, grabbing a beer, and dabbling in each other's personal lives– all while protecting the fine people of Brooklyn.
