

Candidate Statement

I am Ravi Dasari and I'm running for the open seat on the Board of Hopkinton Parks and Recreation Department. Hopkinton has been my home for over 8 years. I love it here!

I would love to have your support for my service on the Parks and Recreation Board in Hopkinton.

I was involved in setting up the turf pitches for Cricket with the help of the Hopkinton Parks and Recreation Department and this led to the growth of Cricket as one of the popular sports in Hopkinton.

The Park and Recreation Department provides incredible programs and classes to our citizens. Have started the Hopkinton Cricket Club in Hopkinton, I think I would have the leadership experience and responsibility to help improve the department, and directly connect with the citizens of Hopkinton.

Preservation, indoor and outdoor sports are something I feel passionate about and have been involved in before, so I want to develop and enhance the existing spaces that are used in our community.

I am committed to support the future development of community programs, ongoing operations, and promote the mission of the Hopkinton Parks and Recreation department.

Hopkinton is filled with natural, historical, cultural, artistic and recreational resources that cultivate outstanding experiences and learning for all people.

It would be an honor to serve our community and hope to have your support this election.
