Star of the Week

_____ will be star of the week for the week of _____. During this week, your child will get special privileges and responsibilities. Please help your child get together the following items:

1. **Poster-** Please use the construction paper (or any paper approximately 12 inches by 18 inches) to make a poster for our classroom. It can include photos, drawings and should have some written narration. The star will get a chance to share about their poster in class. Please return it on the first day of their special week.

2. **Book-** The star may also bring his/her favorite book to share to the class. Have them be prepared to share why it is their favorite. **If you or a family member would like to come read it in class as a guest reader. Please email me by the Monday of your child's week.**

3. **Estimation Jar –** I will send an additional page with directions. Please send items inside a ziploc baggie and I will use it to fill the jar. Please return on Monday of your child's star week.

Thank you for your help in making this a special week for your child. Please let me know if you have any further questions.
