

Missisquoi Valley School District
Asbestos Management Plan
Availability Notification
July 24, 2023

TO: Parents, Teachers, and Employee Organizations, Workers and Building Occupants (or their legal guardians):

This notification is required in accordance with Title II of the Toxic Substance Act, commonly referred to as the Asbestos Hazardous Emergency Response Act of 1986 or “AHERA”, 15 USC Section 2641 et. seq., and the regulation promulgated pursuant to AHERA, 40CFR Part 763 Subpart E.52 Federal Register 41826 (October 30, 1987). Asbestos Management Plans have been developed for the following list of educational facilities, grades PreK-12. As required, management plans are developed for the educational facilities even if no asbestos-containing materials are present. These plans are available and accessible to the public at each individual facility, as well as the Missisquoi Valley Union School District Superintendent’s Office, 100 Robin Hood Dr., Suite 2, Swanton, VT 05488.
