

Meeting Overview:

- The evaluators will share the results of all of the evaluations. You will have time to ask questions.
 - The special education teacher will share your child's scores on the evaluations.
 - The team will consider ALL potential areas of eligibility, including the impact of the disability on your child's education and need for specially designed instruction.
 - If the IEP team determines your child IS eligible, they will determine a primary area of disability. The team may consider a secondary area of disability based on the eligibility areas you discussed earlier in the meeting.
-

Information parents are asked to share at an eligibility meeting...

- Any additional evaluations or medical information that was not provided at the referral meeting should be shared with the IEP team to be included as part of the eligibility determination.
- Any changes in the student's home environment that may have occurred since the referral meeting.
