

Starting in the 24-25 school year, only students in 2nd grade and up, and all Bobcat Innovation students, are assigned district Chromebooks that they can take home; all other K-2 devices will now stay in classrooms.

How to Purchase Chromebook Protection on SchoolPay

1. If you already have a GBCS SchoolPay account, go to [SchoolPay](#) and login, otherwise, go to <https://www.gbcs.org/schoolpaycbprotection> and follow the steps to finish account setup or create your account then login
2. Click the red *View Items* button at the 1:1 Chromebook protection line item
 - a. To read all the detail about protection, click the *View More* link or review the protection information on this page

3. Select the appropriate protection type by adding it to your cart (click the red *Add to Cart* button)

[Chromebook protection is only available for purchase for 3rd graders and up and all Bobcat Virtual students \(all grade levels including BVL K-1\); all other K-2 devices will be kept in classrooms](#)

[Do not purchase protection for any student younger than 3rd grade unless that student is a Bobcat Innovation student in Kindergarden-3rd grade.](#)

If there is only ONE GBCS 3rd grader or up or one Bobcat Innovation student at any grade level in your household...

Choose the **\$25 Individual protection** option
