(A) Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're well
Did you ever make it out of that town where nothing ever happened?
It's no secret that the both of us are running out of time

(B) Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal you
But I ain't done much healing

(C) Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feet
There's such a difference between us and a million miles

CHORUS

Hello from the other side
I must've called a thousand times
To tell you I'm sorry for everything that I've done
But when I call, you never seem to be home

Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
