Respectful Honest You are you Never give up Inspiring Environmental

Wednesday 24th of April 2024

Dear Parents / Carers,

Welcome back to Term Four - it is hard to believe we are in our last term of the session already. We have a fun filled term ahead, with lots of exciting learning opportunities taking place.

Reports and Parents Evening

Pupils will receive their end of year reports on Thursday the 16th of May and parents evening will be the following week, on Tuesday the 21st of May and Wednesday the 22nd of May. We will send out an email with details of how to book an appointment for parents evening so please look out for this.

Outdoor Learning

We are looking forward to some more outdoor learning opportunities this term and we are hoping for some spring weather! We had hoped to hold 'Welly Wednesday's' every fortnight but due to a busy term we have had to rethink this structure. There will be a few 'Welly Wednesday's' and the dates for these are listed below. We will also be taking part in some 'Wild Challenges' on a Thursday afternoon in small groups as part of our outdoor learning.

Bikeability

Our P5's will be taking part in Bikeability training each Wednesday in May. Thanks to those who have returned their permissions slips for this - please return them by Friday the 26th of April if you haven't done so already.

Article of the Month

As you know, we are developing our work around 'Right's Respecting School' at Rhynie Primary School. As part of this, we will be exploring a 'Right of the Month' to develop our awareness and understanding of the different UNCRC Rights of the Child. The rights that we are focusing on this term have been chosen by our pupils.

Our Right of the Month for May will be **Article 31: You have the right to play and rest.**

PTC

We are holding our PTC AGM on Monday the 13th of May. Our PTC are a huge asset to our school and we are very grateful for all of the work and fundraising they do. This really helps drive forward our school improvements. If you would like to be part of our PTC, please come along to our meeting - we would love to see you there!

End of Year Trip

We are excited to let you know that Class One and Class Two will be going on an end of year trip to Macduff Aquarium on Thursday the 27th of June. This trip is designed to provide pupils with an educational and interactive experience to enhance their learning outside of the classroom. We are planning to visit the aquarium in the morning and then move on to the park at Banff for a picnic and a play. We will email with further details nearer the time.
