Sports Awards

Congratulations to the following wrestlers for placing at the Iowa State Wrestling Meet in Des Moines: Jace Nelson-Brown (2nd), Ryan Brennan (5th), Ben Saxton (6th), Cade Shirk (7th), and Gage Jorgenson (8th).

Congratulations to our all Twin Lakes Conference Basketball for earning All-Conference: Byron (1st Team), Gavin Swanson (3rd Team), and on the girls team Rachel Schany (2nd Team).

From Mr. Roskens: The Emmetsburg Extravaganza had its 29th festival this past Friday and Saturday, and had almost 50 performing groups from MS and HS jazz and show choirs around the midwest from Iowa, South Dakota, Minnesota, and Wisconsin. This year was one of, if not the largest jazz and show choir competition in the state of Iowa, and it went really well! People were happy to be here, and it helps bring countless people into our school and community. It is quite a process to prepare for, but all of the work we do is worth it for our kids. My Vocal Music Boosters have been unbelievably supportive of everything I've been trying to do, and they are the biggest reason we have one of the best-run competitions around. The money raised will go towards needs for our vocal kids including all choirs and their activities. I could not be more proud of how our own kids handled themselves during this event, and I am eternally grateful to be their director.

Congratulations to our Jazz Choir for making it to the Iowa Jazz Championships! They will be competing again at the state level on Tuesday, March 28, in Spirit Lake!!

FFA Awards: Congratulations to Hannah Noethe and Connor Egland for qualifying for State FFA! Hannah competed in Prepared Public Speaking and Connor in Extemporaneous Speaking!!

Twin Lakes Conference Art Day: Mr. Hewitt and Mrs. Bjstrom have students participating in the Twin Lakes Conference Art Show on Tuesday, March 21st. This is a great opportunity for our students to showcase their projects. We look forward to seeing the awards accomplished at this event.
