 - Talented group of seniors on the Girls team this year. Boys moved down a division after not winning any games last year. Undefeated so far this year. First league game is a week from Wednesday against Leland, one of the top teams in the nation.
 - There are currently four teams sharing two goals. Additional goals will be needed and fundraising support may be requested.
 - b. Girls Tennis - Coach Robert Inocencio
 - The new courts are complete and the center fences and flooring have been repaired. Working on getting one of the damaged nets replaced.
 - c. Field Hockey - Coach Karen Mirassou
 - Had 15 seniors last year. A lot of new players this year who are growing into their roles. Finished second in a tournament over the weekend. League starts on

Thursday. Home game tomorrow. JV has two returning players, with the rest being new. Two new JV coaches, both former players, have been hired.

- d. Boys Volleyball - Coach Jeff Argabright
 - Open gyms every two weeks. Pushing for more snack shack volunteers for Friday's football game. Custom game net will need to be replaced so will be submitting a request soon.
 - e. Football is 1–2. Varsity is a young team and has been bringing players up from JV to fill out the roster.
 - f. Flag Football plays tomorrow and Thursday. There are 35 girls on the team, which would allow for two teams, so should have two teams, but there isn't enough coaching staff to support two teams. This is the second official year. Team is doing well.
 - g. Girls Volleyball - Played in two tournaments and had some very competitive preseason games. There are three freshmen starting on varsity. Good pipeline for continued success.
 - h. Varsity Cheer is doing really well and has been incorporating new stunts. The Activities Director, who cheered in college, has been a great source of support for the team.
5. Treasurer's Report - Monika Salquist
- a. August Update - [Report](#), [BvA](#) & [Balance Sheet](#) (refer to finance reports for specifics)
 - The first home football game will be reported next month. The Thursday night game against Pacifica was a slower night and brought in \$4,390 in sales. Merchandise sales totaled \$790.
 - b. Funding Requests
 - Boy's & Girl's Tennis - Singles Sticks and Folding Bench
 - [Request](#)
 - [Single Stick PO](#) - Marks the singles lane for singles players.
 - [Bench Quote](#) - Seven folding benches are needed to give players a place to sit and take a break during matches. Seven matches take place simultaneously during each official game.
 - Increased request to \$350 from \$300.
 - Field Hockey - JV & Varsity Uniforms
 - [Request & Quote](#) The team needs new white uniforms, which are harder to keep clean and are now about four years old. The team can budget for JV uniforms but is asking for help covering the cost of varsity jerseys and skirts.
 - They also held a summer camp and a dining fundraiser last week, which brought in additional funds.
 - Motion to approve \$350 for Boys and Girls Tennis and \$1347.40 for Field Hockey under Sports Teams for was made by Evan Lineberry and seconded by Albert Aeed. Motion passed unanimously.

- We were able to gather enough volunteers for the first game, but getting volunteers to sign up continues to be a challenge. This is the biggest fundraiser of the year. Julie will send a message to the athletic teams asking for volunteers for the next game.
- There was an issue with grease from the grills being poured down the drain in the football snack shack. The maintenance crew worked on the problem, but a district specialist was needed to resolve the issue.

■ Trivia Night - Open

■ Sports Basement Rewards - Jeff Page

- The HSC President promoted a fundraiser at the beginning of the school year. Since the rewards typically come back to Sports Boosters, she agreed to pass the rewards on to us.

c. [Donation Drive](#) – Liz Froemming

- Have collected a few donations. There's typically a delay in seeing the donations that have been made because Liz waits for the PayPal report from Monica. Currently, pulling merchandise items to deliver.
- [Merchandise](#) – Liz Froemming
- Fall Sports Night (Wednesday 8/19 @ 6PM)
- Back to School Night (Wednesday 9/2 @ 5:45PM)
- Almost completely sold out of flannel pants and will reorder enough to last the full year. Also restocking hats. Starting to run low on shirts and sweatshirts and wondering if it's time for a redesign. Looking for ideas while keeping the merchandise differentiated from cheer.
- Bought 50 stadium chairs and have sold 20 so far.

- Exploring different selling times at football games. Selling from midway through the JV game through the first quarter of varsity, then packing up by halftime, seems to be the most effective time slot for sales.
 - d. [Social Media](#) – Farrah Hoehne
 - Send photos and highlights to leighsbsocial@gmail.com
 - Getting a lot of participation from all the sports
 - e. Communications - Linda McLennan
