Open Discussion

State Track Meet Snow Cones was slower this year but still made decent money.

Bill Crane contacted Riannah Anderson wanting to talk about the PTCO and the role, if any the school plays in the organization. The parent was concerned about our bylaws and an audit. The school has nothing to do with the PTCO.

We would like to be very clear as to who we are- We are a non-profit, volunteer organization and our only goal is to do the very BEST we can for the Students, Teachers, and Community we serve.

Bylaws are updated and reviewed by all.

Open House for Elementary is 19th of August and Middle School/High School is 20th of August. We will have back to school shirts for sale at both locations.
