THE NICARAGUAN CRISIS: CAUSES AND CONSEQUENCES

Join distinguished professors and activists for an open discussion on the causes and consequences of the political crisis affecting Nicaragua. Learn about the human rights violations, social development setbacks, and healthcare implications of the political instability affecting millions.

FEATURING

Dr. Edmund Campion: Distinguished Professor of Orthopedics and an Orthopedic Surgeon with years of experience in providing healthcare and educational resources to Nicaragua

Dr. Florence Babb: Distinguished Professor of Anthropology with fieldwork experience in cultural politics throughout Nicaragua and Latin America

Tamera Dorela Rivas: on-the-ground Nicaraguan activist and recent detainee of the Nicaraguan government

Ron Garcia-Fogarty: activist in Nicaragua and in the United States

Tuesday, November 13th, 2018 5:30 pm
FedEx Global Education Center RM. 1009

co-sponsored by

340 DAYS. 325 DEATHS.

Nicaragua's Second Revolution?

Interpreting the Current Crisis

Join us for a discussion of Nicaragua's recent uprisings.

A WFU student forced to flee after two weeks of her study abroad program, will share her experience, joined virtually by Nicaraguan student-activists from the Alianza Universitaria and the Alianza Civica por la Justicia y Democracia. WFU Latin American Studies Professors Luis Roniger & Mir Yarfitz will provide history and broader context.

Sponsored by the History Department

Monday, March 25, 5-6:15PM
in ZSR Auditorium 404
