

Big bang

Written by: Brent Snyder & Kristian Veech

Chorus:

Feeling spoiled by the universe
Cause when i wake up in the morning
I see your smile first
Cosmic energy is hard at work
Yeah the stars are in alignment
Perfect timing for the
Big bang (im fallin')
Big bang (im fallin')

V1:

Satellites
In your eyes
Perfect night for you
To come and take me high

The sky is vast
So make it last
Time's a flash
Don't wanna shoot this star too fast

Pre-Chorus:

One small step
I can leap into your future
Baby take my hand

Chorus:

Feeling spoiled by the universe
Cause when i wake up in the morning
I see your smile first
Cosmic energy is hard at work
Yeah the stars are in alignment
Perfect timing for the
Big bang (im fallin')
Big bang (im fallin')
Big bang (im fallin')
Big bang (im fallin')

V1:

I like your vibe
I like your style

I like your cut ass-
-tropical sign
Let me be
Your galaxy
That planetary sanctuary
You need

Pre-Chorus:
One small step
I can leap into your future
Baby take my hand

Chorus:
Feeling spoiled by the universe
Cause when i wake up in the morning
I see your smile first
Cosmic energy is hard at work
Yeah the stars are in alignment
Perfect timing for the
