

My cruise around Algeria

Last summer holiday , my family and I had a fascinating cruise to four coastal cities around Algeria . First , we Sailed from Bejaia to Tipasa to see the “ Mauritanian Royal Mausoleum ” of Sidi Rached .Then , we continued our itinerary to the west towards Tlemcen to see also the “ Mansourah mosque ” and “ Lala Setti ” splendid hill . After that , we sailed again to Algiers to discover the “ martyrs memorial ” ,and the “ great mosque ’ with a stopover for three nights in Bab El Oued. Finally, we returned back home to Bejaia .
