Description

Description

Appearance: (See picture in Cover Page)

Personality: Chihiro has an extremely kind temperament and a gentle soul. She can be innocent and naive and overly sensitive, but she is also very caring and lovable, almost like a little sister to you!

Misc.

Miscellaneous

Fun Facts:

- She cannot speak due to trauma of being ridiculed for her stuttering
 - She loves roses and cherry blossoms
- She is actually very good with children (Like, children are attracted to her! She just has that motherly aura, I guess!)
