

## Virtual learning plan - Avenor College

*This plan applies only in case we reach Risk Level 4 according to Avenor College Management Matrix: Coronavirus. Avenor College will follow the official decisions taken by the authorities in Romania.*

- Official communication will be sent to parents and teachers (via Engage) informing that the school is closing for students;
- Depending on the situation, staff might come to school in the next following days;
- The leadership team (and teachers) will spend the first two working days planning ahead;
- No virtual teaching and learning will happen in the first two days;
- All official communication in the Avenor community will go through Engage (parents need to make sure they can log in to Engage);
- Parents need to download the ZOOM app and make sure they know how to use it (in order to access lessons).

### On the 3rd working day after the school closes:

|                         |                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------|
| Grades preșcolare and 1 | - Benefit from an individual learning plan developed by the form tutor and teachers. |
| Grades 2 to 12          | - Start trial for delivering virtual lessons.                                        |

### On the 4th working day after the school closes:

|                         |                                                                                                                        |
|-------------------------|------------------------------------------------------------------------------------------------------------------------|
| Grades preșcolare and 1 | - Start the individual learning plan developed by the form tutor and teachers. Each child will be guided individually. |
| Grades 2 to 12          | - Teachers will start delivering lessons* online, following the school timetable.                                      |

\*For the first two weeks, there will be no clubs, LOTC, PE, Arts.

### What does virtual learning mean at Avenor:

- Students are expected to log in every day at 8.30 (for 15min) for Registration with the form tutor
- Lessons will be taught using the Zoom App. Each teacher will create an invitation link to the session and send it to the group of students he/she is teaching
- The lessons will be maximum 40 minutes long
- Breaks will be 10 minutes longer than usual
- All students from Grades 2 to 12 will follow the regular timetable
- For non-exam subjects, teachers can decide to involve students in projects rather than conduct a regular lesson
- All clubs are suspended during the time the school is closed
