

Follow that Dog

As a butcher is shooing a dog from his shop, he sees £10 and a note in his mouth, reading: "10 lamb chops, please."

Amazed, he takes the money, puts a bag of chops in the dog's mouth, and quickly closes the shop.

He follows the dog and watches him wait for a green light, look both ways, and trot across the road to a bus-stop.

The dog checks the timetable and sits on the bench. When a bus arrives, he walks around to the front and looks at the number, then boards the bus.

The butcher follows, dumbstruck. As the bus travels out into the suburbs, the dog takes in the scenery.

After a while he stands on his back paws to push the "stop" bell, and then the butcher follows him off.

The dog runs up to a house and drops his bag on the step. He barks repeatedly.

No answer.

He goes back down the path, takes a big run, and throws himself -Whap!- against the door. He does this again & again.

No answer.

So he jumps on a wall, walks around the garden, barks repeatedly at a window, jumps off, and waits at the front door.

Eventually, a small guy opens it and starts cursing and shouting at the dog.

The butcher runs up screams at the guy:
"What the hell are you doing? This dog's a genius!"

The owner responds:
"Genius, my arse. It's the second time this week he's forgotten his key!"

Gloria's Joke 2

Problem with Gas

This little old lady goes to the doctor and says:
"Doctor I have this problem with passing gas, but it really doesn't bother me too much. It never smells and it's always silent.

As a matter of fact I've passed gas at least 20 times since I've been here in your office.

You didn't know I was passing gas because it doesn't smell and it's silent."

The doctor says:

"I see. Take these pills and come back to see me next week."

The next week the lady goes back.

"Doctor," she says, "I don't know what you gave me, but now my passing gas... although still silent, it stinks terribly."

"Good", the doctor said, "now that we've cleared up your sinuses, we'll start to work on your hearing."
