Scoring:

Digital scorecards will be required, please download the [UDisc App](#). Paper score cards will also be acceptable and are available in your player pack. It is the responsibility of the first person that tees off to keep score. It is recommended that another player in the group keeps a duplicate record of the scores, either on paper or otherwise to prevent cheating, miscommunication and human error by entering incorrect scores.

UDisc has partnered with [Dynamic Discs](#) to offer an exciting free scoring option for the [Trilogy Challenge](#) this season.

Players keep score with UDisc and the score updates live to everyone else on their card as well as to an online leaderboard. There can be one scorekeeper per card that scores for everyone. Players can track scores or if they've used UDisc before they can also track stats - UDisc pro is not necessary, but you can use our promo code to receive 60 days free UDisc Pro: LONDONDGC60 or link your PDGA membership number to receive UDisc Pro for free.

Please set up a UDisc Account before the event to make things a little smoother on the day, free or pro, whichever you prefer.

Don't forget to share the leaderboard with your friends and families so they can all follow along live. Follow the live scores here: <https://udisc.com/trilogy-challenge/horsenden-hill>

If you need any help to set it up, I'll be there on the day to help you, or you can click here for more information. Player guide: <https://udisc.freshdesk.com/.../14000116136-trilogy...>

Rules:

PDGA Rule Book: <https://www.pdga.com/rules/official-rules-disc-golf>

Remember you can access the PDGA rule book on the UDisc app and search.

Disc Golfer's Code

1. **Play Smart:**

NEVER throw into a blind area or when players, spectators, pedestrians or other facility users are within range. Use a spotter.

2. **Respect the Course:**

Observe all posted rules. No littering, graffiti, or abuse of equipment or flora.

3. **Represent the Sport:**

Be positive and responsible. Teach others.

The Spirit of the Game

Disc golf is typically played without the supervision of a referee or umpire. The game relies on the player to show sportsmanship, integrity, consideration for other players, and to abide by the Rules of Play. **All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be.** Make the call. Accept the call. It's not personal; it's the rules. That is the spirit of the game of disc golf.

802.04 Teeing Off

- A. Play begins on each hole with the player throwing from within the hole's teeing area. A teeing area, or tee, is the area bounded by the edges of a tee pad, if provided. Otherwise, **it is the area extending three meters perpendicularly behind the designated tee line.** The tee line is the line at the front of the teeing area, or the line between the outside edges of two tee markers.
- B. When the disc is released, the player must have at least one supporting point within the teeing area, and all supporting points must be within the teeing area. A supporting point is any part of the player's body that is, at the time of release, in contact with the playing surface or any other object that provides support. The player is allowed to have a supporting point outside the teeing area before or after, but not at, the moment the disc is released.
- C. A player who violates **802.04.B** has committed a stance violation and receives one penalty throw.

802.06 Marking the Lie

- A. The position of a thrown disc on the in-bounds playing surface marks the lie.

- B. *Alternatively, the player may mark the lie by placing a mini marker disc on the playing surface, touching the front of the thrown disc on the line of play. **A mini marker disc is a small disc, not used in play, that complies with PDGA Technical Standards for mini marker discs.***
- C. *When the thrown disc is not on the in-bounds playing surface, or when the lie is to be moved by rule, the player marks the lie by placing a mini marker disc in accordance with the applicable rule.*
- D. *Marking the lie in a manner other than described above is a marking violation. A player receives a warning for the first marking violation. A player receives one penalty throw for each subsequent violation of any marking rule during the round.*

803.02 Relief from Obstacles

A player may obtain relief from the following obstacles that are on or behind the lie: motor vehicles, footgolf holes, harmful insects or animals, people, or any item or area as designated by the Director. To obtain relief, the player may mark a new lie that is on the line of play, farther from the target, at the nearest point that provides relief.

- A. *If a large solid obstacle prevents the player from taking a legal stance behind the marker disc, or from marking a disc above or below the playing surface, the player may mark a new lie immediately behind that obstacle on the line of play.*
- B. *A player who takes relief other than as allowed above receives one penalty throw.*
- C. *A player may elect at any time to take optional relief by declaring their intention to the group. The lie may then be relocated by marking a new lie which is farther from the target, and is on the line of play. One penalty throw is added to the player's score.*
- D. *No penalty throw is added if optional relief is being taken following a penalty taken for a disc out-of-bounds or above two meters.*

804.01 Mandatory Routes and Objects

There are no mandatory routes or objects at this event.

805.02 Disc Above Two Meters

The 2 meter rule is not in effect for this event.

- A. *The two-meter rule refers to the rules within 805.02. It is not in effect unless the Director declares it to be in effect. The Director may declare the two-meter rule to be in effect for the entire course, for particular holes, and/or for individual objects.*

- B. *If the two-meter rule is in effect when a disc has come to rest at least two meters above the in-bounds playing surface (as measured from the lowest point of the disc to the playing surface directly below it), the player receives one penalty throw. The position of the disc is on the playing surface directly below the disc.*
- C. *A disc supported by the target for the hole being played is not subject to the two-meter rule.*
- D. *If the thrower moves the disc before a determination has been made, the disc is considered to have come to rest above two meters.*

805.03 Lost Disc

Unfortunately, there've been a few lost discs already out on the course, but some have been found and returned to their owners again. Please remember to write your name and number on your discs with permanent marker, so that if it is lost, we can return it to you. Please report all lost discs to the this post here: <https://www.facebook.com/groups/HorsendenHillDiscGolfCourse/>

- A. ***A disc is declared lost if the player cannot locate it within three minutes after having arrived at the area where it is thought to be. Any player in the group or an Official may begin the timing of the three minutes, and must inform the group that the timing has begun.***
- B. *All players in the group must assist in searching for the disc. Failure to do so is a courtesy violation.*
- C. *A player whose disc has been declared lost receives one penalty throw. The next throw is made from the previous lie. If a drop zone has been designated for lost discs on the hole, the player may throw from the drop zone instead of from the previous lie.*
- D. *If it is discovered prior to the completion of the tournament that a player's disc that had been declared lost has been removed or taken, then two throws are subtracted from the player's score for that hole.*
- E. *If a drop zone has been provided for lost discs, the Director may allow players to proceed directly to the drop zone at the cost of two penalty throws.*

806.01 Putting Area

- A. *Any throw made from within 10 meters of the target, as measured from the rear of the marker disc to the base of the target, is a putt.*
- B. ***After having released a putt, the player must demonstrate full control of balance behind the marker disc before advancing toward the target. A player who fails to do so has committed a stance violation and receives one penalty throw.***

806.02 Out-of-Bounds (OB)

There is currently no OB anywhere on the course, this may change so feel free to check back or ask on the day.

806.05 Hazard

All the bunkers (aka sandpits) will be played as casual, play from where you lie with no penalty throw.

807 Completing the Hole

- A. *A target is a device whose purpose is to clearly determine completion of a hole. A basket target is designed to catch discs and generally consists of a tray, chains, and a chain support mounted on a pole. An object target generally has a marked target area.*
- B. In order to complete a hole with a basket target, the thrower must release the disc and it must enter the target above the top of the tray and below the bottom of the chain support, and come to rest supported by the target.**
- C. *In order to complete a hole with an object target, the thrower must release the disc and it must strike the marked target area of the object.*

808 Scoring

- A. **The player listed first bears primary responsibility for picking up the group's scorecard(s).**
- B. *Players in the group keep score proportionally, unless a player or a scorekeeper volunteers to keep score more and that is acceptable to all players in the group.*
- C. *After each hole has been completed, the scorekeeper records the score for each player in the group in a manner that makes each score clear to every player in the group. Any warnings or penalty throws are to be noted along with the score for the hole.*
- D. *The score for a player on a hole is the total number of throws, including penalty throws. The total score for the round is the sum of all hole scores, plus any additional penalty throws. The use of anything other than a number as a score (including the lack of a score) is subject to penalty as described below in 808.G.2.*
- E. *If there is disagreement about the score a player reports, the group reviews the hole and attempts to arrive at the correct score. If the group cannot reach consensus on the player's score, they seek the help of an Official or the Director as soon as is practical. If all players in the group agree that a score is incorrect, the score may be corrected before the scorecard is turned in.*
- F. **All players are responsible for returning their scorecards within 30 minutes of the completion of a round, which is when the last group on the course has completed their final hole and has had reasonable time to turn in their scorecard. Failure to turn in a scorecard on time results in the addition of two penalty throws to the score of each player listed on the late scorecard.**

- G. After the scorecard has been turned in, the total score as recorded is final, except for the following circumstances:
1. Penalty throws may be added or removed up until the Director declares the tournament over, or all awards have been distributed.
 2. **If the total score is incorrect, improperly recorded, or missing, two penalty throws are added to the correct total score.** Those penalty throws are not added when the score has been adjusted for other violations determined after the player had turned in an otherwise correct scorecard.

812 Courtesy

A. A player must not:

1. Throw if the throw might injure someone or distract another player; or,
2. Throw out of order without consent or when it would impact another player; or,
3. Engage in distracting or unsportsmanlike actions such as:
 - a. Shouting (unless warning someone at risk of being struck by a disc),
 - b. Cursing,
 - c. Striking, kicking, or throwing park, course, or player equipment,
 - d. Moving or talking while another player is throwing,
 - e. Advancing beyond the away player; or,
4. Leave equipment where it may distract other players or interfere with a thrown disc; or,
5. Litter, including cigarette butts; or,
6. Allow their smoke to disturb other players.

B. A player must:

1. Perform actions expected by the rules, including:
 - a. **Helping to find a lost disc;** and,
 - b. Moving equipment when asked; and,
 - c. Keeping score properly.
2. Watch the other members of the group throw in order to ensure rules compliance and to help find discs.

- C. A player receives a warning for the first violation of any courtesy rule. Each subsequent violation of any courtesy rule by that player in the same round incurs one penalty throw. A courtesy violation may be called or confirmed by any affected player, or by an Official. Repeated courtesy violations may result in disqualification by the Director.
