

Holiday and Seasonal Hours - Graphics

November and December mark the beginning of a bustling holiday and finals season. Your patrons will begin marking their calendars and organizing their schedules at this time. Set them up for success to navigate the busy season with intention by announcing any changes in your hours ahead of time.

Audience: Students and Faculty

Type of Outreach: Announcement Graphic

Bonus Tip:

If you are extending library hours for finals week, use the “[Finals Week Hours](#)” template to announce the updated schedule to students.
