-**Ski and Snowboard Club:** This year, Avonworth Ski and Board Club will be using the Epic Pass system for our trips. In addition, Vail has given us a special link where anyone in the community can purchase their Epic passes (whether they are using them for our trips or not) and it will help our club earn special discounts and passes. I have attached the document with ordering information and was hoping we could share it with the Avonworth Community. It is a special link on the attached document that will take you to our Ski Club ordering page.
