

Teaching and Learning Methods and Strategies

Teacher's Role

Provide resources (text, powerpoint presentation, web link, video etc.) at BLC, conduct live online sessions using Google Meet, post questions in discussion forums for student interaction, create assessment questions/topics, monitor students' learning activities and provide feedback, etc.

Students' Role

Read online resources, participate in online live class in Google meet, participate in online interaction in forums, complete assessment tasks, contact course teachers for solving problems etc.
