

肖兔 **Xiao Tu**

快乐吃饭、快乐睡觉、快乐压制凌超 **Happily eating, happily sleeping, happily suppressing Ling Chao**

- 你是我第一个"DV"做的男主角 虽然没...对上焦 You were the male lead of my first digital video, even though the camera wasn't in focus.

- 这张臭脸 我们忘合照了 只剩凌超高中毕业的时候 Look at this scowling face. We forgot to take photos together, the only photo left is one from when Ling Chao graduated high school.

- 你睡着的时候我确实想老牛吃嫩草了 While you were sleeping, I really felt like I was an old cow eating young grass.

- 为什么从小到大你陪我吹着个都这么勉强 Since we were young, why are you always so reluctant to blow into these toys?

- 每次都是你先表白 这次换我认真和你说: 我喜欢你! 别笑! 我在认真表白 Everytime it is you who first confesses. This time it's my turn to tell you: I like you! Stop laughing! I'm confessing to you seriously.

- 儿子给我们拍的第1张照片 (生儿子也不完全没用) The first photo our son took of us! (Having a son isn't so useless after all)

凌超 **Ling Chao**

计算机是我梦想, 肖兔也是 **Computer Science is my dream and so is Xiao Tu**

- 你拿着DV的时候还不知道梦想是什么 而我那时候的梦想就是 When you first held the digital video recorder you didn't know what your dreams were, but I already knew my dream was...

- 一件衣服有必要天天穿吗? 哦! 是我买的啊 HAHA Must you really wear the same jacket everyday? Oh, I bought it. Haha.

- 别以为卖萌 我就... 好吧 饶了你 Don't think because you act cute you... Fine, I'll let you off.

- 那天开始我也觉得臭豆腐爆炸无敌好吃 全宇宙第1 That day I began to think stink tofu was extremely delicious. The best in the universe.

- 你吃什么了 长这么高? 你吃什么了 为什么一直长不高? What did you eat? You've become so tall. What did you eat? Why are you still the same height?

- 其实当时 我已经把它当成全家福了 At that time, I had already thought of this as my family photo.
